

GOOD NEIGHBOURS ANNUAL FALL BUS TOUR MONDAY, OCTOBER 16, 2017

This year, to celebrate Canada's 150th Anniversary, we will be touring along the Grand River Parkway with visits to historic sites along the way. We begin our day with a tour of the 19th century Ruthven Mansion, the former home of five generations of the Thompson family where we will also enjoy a delicious Scottish Tea. Following a scenic drive along the Grand River we will have lunch and a tour of the oldest surviving church in Ontario built in 1785, Her Majesty's Royal Chapel of the Mohawks. Later in the afternoon we will visit the Woodland Cultural Centre which depicts the history of the Six Nations people.
